

MEANTIME LONDON

CHOCOLATE

CHOCOLATE & PORTER STYLE ALE

6.5% ABV

RICH AND REWARDING

Dark malts and even darker bitter chocolate.

Sipping a Meantime Chocolate Beer is like drinking chocolate mousse, but a mousse made with rich, bitter chocolate.

The ultimate chocoholic beer gives a warm, comforting feeling with a silky mouthfeel, for those moments when only chocolate will do.

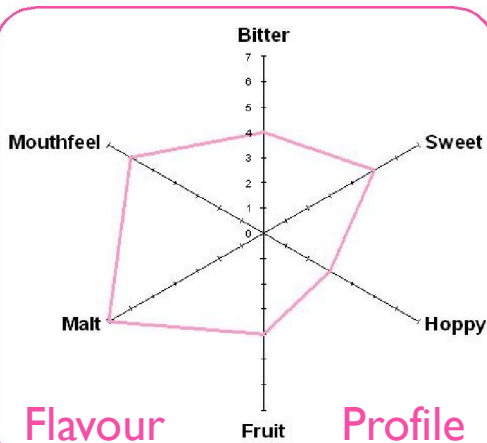

FOOD PAIRINGS

At first glance it is tempting to think of it as a dessert or digestif beer, but in fact it goes well with casseroles and stews, or Mexican chile, especially if molé sauce is involved.
