## HELLES

### BAVARIAN COUNTRY STYLE LAGER

**4.4% ABV**

**SOCIABLE & QUAFFABLE**

**German country style lager with low bitterness**

Helles is the German word for 'light', as in light colour, and this golden hued beer is typified by a refreshing, piney, citrus hop aroma, sitting atop a predominantly light malt accented palate.

The hop aromas and delicate malt flavours work together in perfect balance to produce a refreshing beer with a clean, crisp finish.

The Hallaertaur hop does all its work on the nose, meaning this is beer with a low bitterness.

#### FOOD PAIRINGS

Helles is an ideal companion to roast pork, light seafood; pasta dishes, goats cheese salad, or an apricot tatin.
